

Relay Teams

The half marathon relay course will be divided into four segments of approximately three miles each with various degrees of difficulty. Each team can have up to four members of any gender.

Team captains can match up their runners to the segment that most fits the runners' capabilities. Do it for fun, or do it to win, or do it to help provide decent affordable housing for Rim Country residents.

Compete to be the first team name on the Rim Country Half Marathon Relay Cup. The Cup will be inscribed with the name of the team with the best time and kept in the Rim Country Regional Chamber of Commerce for all to see.

Last year's Relay Winners: Team Blondies.
